State and Australian Government financial incentives and benefits as at July 2015. Industry Associations may have additional schemes and funding available. Check with your industry organisation directly. Waiting periods are in place before an employer can apply for an Australian Government Commencement Incentive for an Australian Apprentice. The National Training Contract must be formally approved and probationary period completed. The Australian Apprentice must still be employed by the same employer and commenced training in accordance with the approved Training Program. Benefits and services are subject to change at any time without notice. Please check our website apprenticeshipsupport.com.au for full and current details.
