

Trade Vocations NSW

Current July 2015

Aeroskills

Aircraft Surface Finishing III*, IV*

Avionics IV*, Diploma*

Mechanical IV*, Diploma*

Mechatronics III, IV*

Structures IV*

Animal Care & Management

Farriery III

Automotive

Agricultural Mechanical Technology III*

Alternative Fuel Technology III*

Automotive and Marine Trimming Technology III

Automotive Refinishing Technology III*

Body Repair Technology III*

Diesel Engine Technology III*

Diesel Fuel Technology III*

Drivetrain Technology III*

Electrical Technology III*

Elevating Work Platform III*

Engine Reconditioning III*

Forklift Technology III*

Glazing Technology III*

Heavy Commercial Trailer Technology III*

Light Vehicle Mechanical Technology III*

Marine Mechanical Technology III*

Mobile Plant Technology III*

Motorcycle Mechanical Technology III*

Sales (Parts Interpreting) III*

Underbody Technology III*

Automotive Manufacturing

Automotive Manufacturing Technical Operations
(Bus/Truck/Trailer) III*

Baking

Plant Baking III*

Retail Baking (Bread) III*

Retail Baking (Cake & Pastry) III*

Retail Baking (Combined) III*

Building & Construction

Bricklaying III*

Carpentry III*

Carpentry & Joinery III*

Construction Carpentry III*

Fire Protection III

Joinery III*

Joinery (Stairs) III*

Painting & Decorating III*

Plumbing III

Roof Plumbing III

Roof Tiling III*

Shopfitting III*

Signcraft III*

Solid Plastering III*

Stonemasonry III*

Wall & Ceiling Lining III*

Wall & Floor Tiling III*

Butchery

Meat Processing (Retail Butcher) III

- TCF Mechanic III*
- Watch & Clock Service and Repair III

Civil Construction

Civil Construction Adv Diploma*

- Design IV, Diploma, Adv Diploma
- Management Diploma*
- Operations IV*

Electrotechnology

Air-conditioning and Refrigeration III

Appliance Servicing III

Computer Systems Equipment III

Data and Voice Communications III*

Electrical Fitting III

Electrical Instrumentation IV

Electrical Machine Repair III

Electrical Rail Signalling IV

Electrician III

Electronics and Communications III

Industrial Electronics and Control IV

Instrumentation and Control III, IV

Security Equipment III

Switchgear and Control Gear III

Engineering

Drafting (Structural Specialisation) Diploma

Engineering IV,

Engineering – Advanced Trade – Diploma*

Engineering

- Composites III
- Electrical/Electronic III
- Fabrication III
- Jewellery Manufacture III
- Locksmithing
- Marine Craft Construction III
- Mechanical III

Forest and Forest Products

- Saw Doctoring III
- Wood Machining III

Furnishing

Cabinet Making – Furniture III*

Cabinet Making – Kitchens and Bathrooms III*

Flooring Technology III*

Furniture Finishing III

Glass & Glazing III

Picture Framing III*

Timber and Composites Machining III

Upholstery III

Glazing

Glass & Glazing III*

Hair & Beauty

Beauty Therapy IV*

Hairdressing III*

Horticulture

Landscape Construction III*

Parks & Gardens III*

Production Nursery III*

Retail Nursery III*

Sports Turf Management III*

Hospitality

Asian Cookery III*

Commercial Cookery III*

Patisserie III*

Manufacturing

Polymer Technology

- Blow Moulding Technician IV
- Composites Technician IV
- Injection Moulding Technician IV
- Plastics Extrusion Technician IV

Marine

Marine Craft Construction III

Printing and Graphic Arts

Graphic Pre-Press III

Print Finishing III

Printing III

Screen Printing III*

Racing

Jockey IV

Telecommunications

Networks Technology IV*

Textiles, Clothing & Footwear

Engineering – TCF Mechanic III*

Transport and Logistics

Maritime Operations – (Engineer Watchkeeper)
Diploma

Maritime Operations – (Watchkeeper Deck)
Diploma

Utilities

Electricity supply industry (ESI)

Power Systems – Distribution Cable Jointing III

Power Systems – Distribution Overhead III

Power Systems – Rail Traction III

Power Systems – Substation IV*

Power Systems – Transmissions Overhead III

* Advanced Entry where Vocational Training Order specifies lower qualification to be held
