

# Apprenticeship Vocations NSW

Current July 2018

## **Animal Care and Management**

Animal Care and Management – Farriery III

## **Automotive**

Agricultural Mechanical Technology III\*

Alternative Fuel Technology III\*

Automotive and Marine Trimming Technology III

Automotive -

Body Repair Technology III\*

Diesel Engine Technology III\*

Diesel Fuel Technology III\*

Drivetrain Technology III\*

Electrical Technology III\*

Elevating Work Platform III

Engine Reconditioning III\*

Forklift Technology III\*

Glazing Technology III

Heavy Commercial Trailer Technology III\*

Heavy Commercial Vehicle Mechanical  
Technology III

Light Vehicle Mechanical Technology III\*

Marine Mechanical Technology III\*

Mobile Plant Technology III\*

Motorcycle Mechanical Technology III\*

Refinishing Technology III\*

Sales III\*

Underbody Technology III\*

## **Automotive Manufacturing**

Automotive Manufacturing Technical Operations -  
Bus/Truck/Trailer III\*

## **Building and Construction**

Building and Construction -

Bricklaying/Blocklaying III\*

Carpentry and Joinery III\*

Carpentry III\*

Construction Carpentry – Formwork/  
Falsework III\*

Fire Protection III

Joinery (Stairs) III\*

Joinery III\*

Painting and Decorating III\*

Plumbing III

Roof Plumbing III

Roof Tiling III\*

Shopfitting III\*

Signs and Graphics III\*

Solid Plastering III\*

Stonemasonry (Monumental / Installation)  
III\*

Wall and Ceiling Lining III\*

Wall and Floor Tiling III\*

Civil Construction -

Bituminous Surfacing III\*

Bridge Construction and Maintenance III\*

General III\*

Pipe Laying III\*

Plant Operations III\*

Road Construction and Maintenance III\*  
Timber Bridge Construction and Maintenance III\*  
Tunnel Construction III\*

### **Communications**

Printing and Graphic Arts -  
Print Communications III  
Printing III  
Print Manufacturing III  
Telecommunications -  
Digital Reception Technology III  
Network Build and Operate III  
Telecommunications Technology III

### **Food Industry**

Meat Processing (Retail Butcher) III  
Plant Baking III\*  
Retail Baking -  
(Bread) III\*  
(Cake and Pastry) III\*  
(Combined) III\*

### **Forest Industry**

Forest and Forest Products -  
Saw Doctoring III  
Wood Machining III

### **Furnishing (Light Manufacturing); Textiles, Clothing and Footwear**

Engineering – TCF Mechanic III\*  
Furnishing  
Cabinet Making (Furniture) III\*  
Cabinet Making (Kitchens and Bathrooms) III\*

Flooring Technology III\*  
Furniture Finishing III  
Glass and Glazing III  
Picture Framing III\*  
Timber and Composites Machining III  
Upholstery III  
Manufactured Textile Products III\*

### **Hairdressing and Beauty**

Hairdressing III\*  
Hairdressing – Barbering III\*  
Beauty Therapy IV\*

### **Horticulture**

Horticulture -  
Landscape Construction III\*  
Parks and Gardens III\*  
Production Nursery III\*  
Retail Nursery III\*  
Sports Turf Management III\*

### **Hospitality and Tourism**

Hospitality -  
Asian Cookery III\*  
Commercial Cookery III\*, IV\*  
Patisserie III\*  
(Restaurant Front of House) III

### **Manufacturing Engineering**

Aeroskills –  
(Avionics) IV\*, Diploma\*  
(Mechanical) IV\*, Diploma  
(Mechatronics) III, IV\*

(Structures) IV\*

Aircraft Surface Finishing III\*, IV\*

Engineering -

Composites Trade III

Electrical/Electronic Trade III

Engineering IV

Engineering Advanced Trade Diploma\*

Fabrication Trade III

Jewellery Manufacture III

Locksmithing III

Mechanical Trade III

Marine Craft Construction III

Watch and Clock Service and Repair III

### **Process Manufacturing**

Polymer Technology -

Blow Moulding Technician IV

Composites Technician IV

Injection Moulding Technician IV

Plastics Extrusion Technician IV

### **Racing**

Racing (Jockey) IV

### **Transport and Distribution**

T&L – Maritime Operations -

(Engineer Watchkeeper) Diploma

(Watchkeeper Deck) Diploma

### **Utilities and Electrotechnology**

Electricity Supply Industry - Power Systems -

Distribution Cable Jointing III

Distribution Overhead III

Rail Traction III

Substations IV\*

Transmissions Overhead III

Electrotechnology -

Air Conditioning and Refrigeration III

Appliance Service III

Computer Systems Equipment III

Data and Voice Communications III\*

Electrical Fitting III

Electrical Instrumentation IV

Electrical Machine Repair III

Electrical Rail Signalling IV

Electrician III

Electronics and Communications III

Industrial Electronics and Control IV

Instrumentation and Control III, IV

Security Equipment III

Switchgear and Control Gear III

Gas Industry – Gas Supply Industry Operations III\*

\*Advanced Entry where Vocational Training Order specifies lower qualification to be held
