

NATIONAL SKILLS NEEDS LIST

The National Skills Needs List identifies traditional trades that are identified as experiencing a national skills shortage.

The list is based on detailed labour market research and analysis undertaken by the Department of Employment, Skills, Small and Family Business.

Under the Australian Apprenticeships Incentives Program, an Australian Apprentice undertaking a Certificate III or IV qualification that leads to an occupation listed on the National Skills Needs List may be eligible to attract the following employer incentives and personal benefits:

- Support for Adult Australian Apprentices payments
- Trade Support Loans
- Rural and Regional Skills Shortage incentive

As the National Skills Needs List is reviewed regularly, please visit the Australian Apprenticeships website at australianapprenticeships.gov.au for the most up-to-date list.
