

HOW TO CONNECT TO THE APPRENTICESHIPS DATA MANAGEMENT SYSTEM (ADMS)

The Apprenticeships Data Management System (ADMS) lets you quickly and easily claim payments that will help you complete your Apprentice journey. Setting up your ADMS account is as easy as a one-time Connect and Confirm. Then you'll be ready to Claim or Apply!

Step 1 Connect

Connect your linked myGov account or Digital Identity (myGovID) to ADMS

- 1 Navigate to ADMS <https://adms.australianapprenticeships.gov.au/adms/sign-in>
- 2 Click Apprentice Login
- 3 Sign in using my.gov.au (myGov) or your mygovid.gov.au (myGovID)

To sign in with myGov, your account must be linked to either Centrelink, ATO or Medicare. Head to the my.gov.au website to learn more about signing up for and linking your myGov account.

To use your Digital Identity (myGovID), you need to have a myGov account and a Standard Identity Strength, that is linked to your myGov account. The myGovID website has more information about creating your Digital Identity.
