

## Extension of probationary period of a registered training contract

This form has been specifically developed for use by parties to the training contract to apply to the Department of Employment, Small Business and Training (DESBT) or Apprentice Connect Australia Provider (Provider) to extend the probationary period of a registered training contract. Applications must be received by DESBT or the Provider at least **14 days before the end of the probationary period**. Applications received after this time cannot be approved.

**Extension of the probationary period of a registered training contract will not take effect until a decision has been made by DESBT or the Provider.**

**IMPORTANT:** Failure to complete all details on this form may delay processing of this transaction.
