

Minor amendment of a registered training contract

Examples of minor amendments include changes to:

- the apprentice or trainee's name – e.g. through marriage or by deed poll (please ensure the documentation states the person's name as it is now and what it was previously)
- the employer's trading name
- correct a typographical error in a party's name or address
- a party's address.

(**Evidence:** An original document or a copy certified by a Justice of the Peace is required for change of apprentice or trainees name or date of birth. Please do not send an original document through the post.)
